

*"To strive with honour"*

Dear Parents and Families,

Welcome to the 2019/2020 season of Tiny Tots.

Our Tiny Tots program operates on the top oval at Leonay from 6-7pm. You may drive up the hill and park close by.

Our Tiny Tots Co-ordinator is Nicole Davidson. We are very lucky to have Nicole returning to this role this season.

Tiny Tots works best for our athletes when parents are involved. Our little 3 and 4 year olds require assistance navigating through their various activities and we urge parents to join in the fun.

If anyone is able to assist Nicole with equipment at 5:30 to transport up the hill we would be most grateful. Please make yourself known to her if you can assist. She has her own children in this group and has her hands full.

Tiny Tots are divided up into colour groups and move around the activities in these groups. Friends are welcome to be in the same group as each other.

Parents must sign in their Tiny Tots each week.

Most of the activities will take place on the top oval however each week they will venture down the hill to the Long Jump pits to have some fun jumping in the sand.

Tiny Tots is about having some fun, expending some energy and learning some fundamental skills that will equip them for the transition to the U6 age group.

Please give Nicole all the assistance you can. We have a large group this year which is simply too much for one person to manage. Any help you give will benefit the experience of our kids.

Tiny Tots will have a presentation on the last day of competition in March.

If you have any questions or issues please speak to Nicole or contact us through the club email. We hope your children enjoy their Tiny Tots experience this season.

**Please feel free to contact anyone from the committee with anything you need.  
Thank you for your joining and enjoy your Friday nights!
